Petitioning the Court

Petitioning the Court to consider the offender for early termination of supervision.

Cause

Wenny Hoang Bui has completed 11 months of a three year term of probation. During this time, she has satisfied all conditions of probation, including payment of her special assessment, completion of her imposed community service hours, and timely filing of her 2005 tax returns. Ms. Bui has maintained residency in Milpitas, California since the commencement of supervision. She has been gainfully self-employed as a jewelry store owner since the commencement of supervision. Ms. Bui has not incurred any new arrests or convictions since the instant offense. Based upon Ms. Bui's excellent adjustment under supervision, it is this officer's opinion that she does not pose a risk to the community and is an excellent candidate for early termination.

The Assistant U.S. Attorney has been notified and there are no objections.
